LEARNING OBJECTIVES FOR THE CONFERENCE

- 1) Provide updates on income tax, accounting standards, and current economic trends from leading co-op experts.***
- 2) Discuss challenges in employee recruitment and retention and get first hand perspective from a millennial engaged in agriculture.***
- 3) Provide information and discuss the new technologies in production agriculture and how your cooperative can respond.***
- 4) Become inspired by one man’s story of a personal interaction that changed his life and how YOU can recognize those opportunities to enhance your life.***
